A topographic map showing a road and a stream. The road is marked with a red line and has a distance of 382 meters indicated. The stream is marked with a blue line. The map also shows contour lines for 350m and 407m, and a small building icon.

A map of the Azasunobireiji Ski Area. It features a green background with brown contour lines indicating elevation. A black line represents a ski trail, starting from a red dot at the top left and ending at a red dot at the bottom right. A black dot on the trail is labeled '403'. The text 'Azasunobireiji Ski Area' is written in English, and 'アザスノビレッジスキー場' is written in Japanese below it.

A topographic map of the study area, showing contour lines and a blue line indicating the location of the study area. The map includes a coordinate marker for 42° 35'.

A topographic map segment showing contour lines. Two specific points are marked with black dots and labeled with their elevations: 437 on the left and 253 on the right. The map uses green and brown colors to represent different elevations and features.

A topographic map of Toyako-cho (洞爺湖町) and the surrounding area. The map shows the Toyako Lake (洞爺湖) and the surrounding terrain with contour lines. Key locations labeled include Iyama (洞爺山) and Toyako-cho (洞爺湖町). The map also shows the Aomori Bay (奥州湾) and the Aomori Bay Bridge (奥州湾大橋). The map is oriented with North at the top.
